Caddyshacking

The real-life exploits of a female golf caddy who just can't keep her hands off the balls

"May I wash your balls, sir?" I asked, with relish in my eyes and irony in my voice. I was one of the few caddies who didn't flinch when I was required to ask the club's golfers that question (most of the guys said it under their breath). I got my share of looks because of the way I said it, with a sex insinuation, I guess. One handsome guy, with a shock of gray in his brown head of hair, said, "Say, that sounds like an indecent proposition."

If I lost my job at the club, I had connections; I could be a caddy elsewhere, so I said, "I dunno. Depends on the balls."

"Which balls do you mean?"

"Any two you've got," I answered. We were behind the caddy shack, where all manner of supplies and equipment, including the rentals, were stored. (The multimillionaire—someone had told me how much he was worth—wasn't a member of the club, but had been invited and had to rent his equipment.)

The fortyish man, well-muscled and eager, unzipped and took his dick out of his pants. "Lick it," he said.

I did, taking my own sweet time indulging in some simultaneous clifflinking, of course. He came much too quickly for me, and as soon as he was done he zipped up and flew off.

I must have gotten a certain rep, and good news (of that kind, anyway) travels fast. Fortunately there were times and places around the country club for incidents of this sort. Now and then the men were willing to do something to reciprocate for my tonguing, licking, sucking and swallowing, which I became an expert at in high school.

But for the most part I was glad to service those affluent men; the good-looking ones, that is. Money turned me on, and I was always a nature lover. What I never agreed to do was service a guy in front of anyone else, which I felt was tacky. If I got pinched or goosed by one member of a golfing party within sight of his companions, I protested loudly but I didn't carry on too much. On a one-to-one basis I'm wild and uninhibited, but among a group I am, well, very modest, if not prudish. Image, you know.

If a man was rich—as all the members should have been, because the annual club fee alone is over well into the thousands, depending on seniority—then I had no qualms. As for my initiation fee, well, don't ask. Anyway, if a man was rich and he wasn't actually ugly or fat or somehow truly gross, then I didn't mind giving him a hand job (but no blowjob). And I acted gracious and open. Someday I want to marry a rich guy, and while

I'm an easy lay, I don't mind a small token of gratitude for service rendered, especially when these men are so loaded it's indecent.

What I have is sensitivity to what men who have everything like. Now the handsomest men I'd ever had to lay my big mouth on was the redhead. I figured he liked it rough. When I did him behind a big yew tree, I took one ball into my mouth and sucked on it as if it was a short, fat cock. I did it rough and he loved it. I also bit hard at his inner thighs, fairly high up. I do whatever comes to mind. I tried putting both balls into my mouth, easing one big lump into the side of my mouth, cuddling it next to its smaller brother. But they were too big for cohabitation.

"Lean back," I ordered. He leaned against the tree and I pushed his thighs up and away from me, and then I tickled between his balls and his asshole. I teased the sensitive area with my tongue, darting it in and out. The whole area smelled so sweet and wholesome that I couldn't resist taking a mouthful of his inner thigh and pressing it between my eager teeth. "Hey, not so rough!" he yelled, looking around to see if anyone had heard. So I began on his cock and I got it hard instantly, but after less than a minute of my hard-going, it began to shrink.

I looked at him—I knew the kind of look I wanted to give him—and he was acutely embarrassed. I tried some more and it shrank back to almost nothing. I'm not into heavy rough stuff, but sometimes it does me good to see a proud, wealthy man—whatever his age—embarrassed, even pitiful.

See, I come from a poor family, and while I'm certainly not a communist, I do think some people have far too much and are callous to other people's lot. The outcome of the red-headed encounter was that he volun-

I must have gotten a certain rep, and good news (of that kind, anyway) travels fast. Fortunately there were times and places around the country club for incidents of this sort.

teered to give me a \$50 bill for my efforts—more likely he gave it to me so I wouldn't reveal a breath of what happened, or hadn't happened.

Of course, sometimes I only wash golf balls and retrieve them, carry a bag of clubs, and spend long hours just watching the men play and listening to them bullshitting about how they may not be fantastic on the golf course. But in business; they're just raking in the dough and getting the better of all their competitors.

One day I happened to caddy for "Red's" party and I heard him telling his buddies that he was having an affair. The poor girl couldn't get enough of him, especially when he did it real rough. I made sure I caught his eye, after coughing discreetly.

After the game was over, one of the men offered to give me a tip, something they rarely do with the male caddies (who said this world is fair?). And when I walked by Red and lingered in front of him, he pulled out a wad of bills and extracted a \$20, which he put in my hot little palm. I murmured, "I hope to see more of you on the greens, sir." I looked about and saw the others were far enough away so as not to overhear me. "Maybe I'll see you around the trees."

I wasn't hinting around for more money, but he pulled another \$20 and presented it to me before scurrying off. It was the last time he ever came near me, let alone allowed me to go down on my knees in front of him.

One of the things I liked about caddying was the variety of men I got to know fairly quickly. But there were always the guests... or the members' sons and nephews.

During my lunch hours I usually went across the street, skipped the food, and stripped down to my bikini, which I used for underwear, and lay in the sun. The beach wasn't far

off, but I preferred the green grass. Donning my clothes, I'd go back to the club and check in with my golfer and his party. At the end of each session I'd be alone with my golfer. I'd ask to wash his balls, ask what he wanted done with his equipment, and exchange some meaningless chitchat while he would try to patronize me and find out—some of them—about my availability.

One day I met a masculine, handsome guy, dreamy in every way it appeared. "I think you're what I've been looking for, my man." I just smiled sweetly. But after I asked if I could wash his balls at the end of the session, he asked, "Can I take you to lunch, somewhere else?" I declined, not really wanting to get into a relationship with anyone.

I went to the beach and got some sun. Then I walked a mile or so to another beach, which had some nude bathers. The sunshine beating down on me had made me hot and horny. When I had peeled off my bikini, I cradled my boobs and then reached for my moistening pussy. I let my fingers do their own thing. I looked around, but no one was there.

Walking along (I'd decided to

postpone masturbating, because I'm a woman that likes to take her time) I came upon a very strange sight: a large sandy depression where a sandcastle could have been. Instead there was a crude but obvious life-sized erotic sculpture of a woman with breasts, legs spread, and a clit. I'd never seen anything like it.

I plopped myself down and wondered if anyone ever did a sandman—a nude one, with his cock flying high. My first inclination was to jump on the naked lady and send her parts every which way; the tide was drawing nearer anyway, and she wouldn't last too much longer.

Instead I had a brain wave. I smoothed away the two breasts, then I turned to the clit and began digging a hole—a hole where a cock would have gone. Then I looked around. Who'd arrest a chick for humping a sand sculpture?

I lay facedown and rubbed my cunt on top of the hole in the clit, getting sand in the folds of my pussy, my belly, thighs, everywhere. This was totally new to me, and exciting. I put my hand down in front of myself. I wondered what it might be like for a guy to do what I was doing, poking his dick in and out of the wet hole. I almost wished I had one (the only time in my life I ever succumbed to penis envy).

Then I heard a rustling sound behind some bushes. I spun around and felt the motion of my full breasts moving swiftly sideways. It was Mr. Handsome, who must've followed me. He was wearing walking shorts, which he must have changed into in the locker room. I didn't stop; it felt too good. No doubt I was turning him on, judging from the physical proof when he emerged from the bushes.

He stood nearby and just watched. I continued and brought myself to a shuddering orgasm within minutes, quicker than usual. I love being

watched, I guess. Afterwards I flopped down on the sand, pooped out. The water was lapping over my ankles. I wanted to lie there until it washed over my butt and wet my dripping pussy.

"Do you still want to wash my balls?" he asked. I looked up and said, "Get 'em out."

Was he hung! I sucked on his rubbery cock for a bit, and that helped me overcome my fatigue. "Get down here," I suggested playfully, and he lay down where the sandy lady had been crushed and watered down. Next I piled sand all over the golfer, energetically pushing it around him, down from the sides of the mini-cliffs surrounding the depression. He was buried under a mound of sand. I covered all but his head, over which I threw his shirt.

Then I scooped away the sand around his cock and revived it to full life. I stood back and looked at this crazy sight: a nude golfer buried in sand, his head covered, his toes poking through. The cock was way up high, and that's where I put my mouth to work. Sand got in my mouth, so I scooped away more sand, exposing his balls and part of his flat stomach. I sucked on him, savoring both his hot flesh and the ludicrous strangeness of the situation. I couldn't lick his balls, so I stuck to the big, circumcised phallus, with its curved head and wholesome length.

As I sucked, my "victim" couldn't help squirming and some of the sand fell away from him. Knees poked through, toes wriggled, the sand cracked over his chest. I looked around, but no one was in sight. My throat closed in on the human obelisk and I closed my eyes as my face plunged into the sand. When I'm deeply into sex, I don't care about anything.

Suddenly he bolted up, his hips pushing my face above the sand, his cock as far into my mouth as it would

go. The sand had fallen away from most of his body as he ejaculated noisily, his sounds muffled by his shirt.

I helped him clear away the rest of the sand from him as he brushed away the sand from my face. Such a tender gesture excited me more and sent my lust spiraling. I grabbed his wet cock, which was still plastered with sand, and used his socks to flick it clean. He dressed quickly and left before I could suggest a fuck in the sand. He had tried to give me money. But this time was different, so as a matter of pride, I turned it down.

I checked back into the club and headed for the caddy shack. The assistant director walked in with a beautiful young man in his twenties. A member? He couldn't be, and he wasn't. He was a new caddy, and the assistant director said, "This is Mark, and he'll hopefully become as good a caddy as you. I'm leaving him in your hands. You show him the ropes, Ann."

When we were alone I told Mark, "Do you realize you have to ask each golfer if you can wash his balls?" He smiled, a wicked gleam in his eye. Slowly he stated, "I'm bi. How about you?"

"I'm just plain sexual, without

prefixes," I said, thinking back to my strange attraction to the lady in the sand. He shook his head approvingly, leaned forward and kissed me on the lips—my first caddy (most of the established ones felt too competitive with me). I parted his moist lips and twisted my head sideways so I could fuck his mouth with my eager tongue. "What's in that big box?" I asked throatily. He dropped his shorts, with his back to me, exposing his gorgeous ass, which was totally tanned with no tan line. A nudist, most likely.

I bit him on one slightly furry cheek. He didn't flinch, so I bit a little harder. He moaned with pleasure, so I quickly turned to the other cheek and did the same thing.

Mark sighed with relief when I stopped. Next I pressed my thumb through his crack, right into his asshole. He was spotlessly clean. "Spread 'em!" I ordered. He obeyed and I virtually rammed my head into his ass, like a pretty bull. I turned my face into his ass, my tongue licking at his long, surprisingly hairy balls. I ached to masturbate and stuff my mouth with what felt like a long, thick cock.

I reveled in the aroma and taste of this blond man. He came while I was enjoying him. I would have sucked him off and helped him come a second time, even a third or fourth time. He had a magnificent organ and attitude. But the assistant director walked in and caught us, smiling wickedly. "So the tales are true," he smirked.

To make a long story short, I blindfolded the assistant director and silently beckoned to Mark to come back into the caddy shack. And he sucked off the assistant director "How about one more round?" I asked.

They eagerly assented, so I got to suck them both off. Then I went home, glad to have put in a full, busy, and delightful day. It's no wonder I love my work.

Jynx Maze

What do you do when all your gym clothes shrink in the wash? Go early enough that you can workout alone. What do you do when someone walks in? Fuck 'em. Literally. Noticing the hungry eyes of her instructor, Jynx asks him for a spot. Bending down and rubbing her ass on him, she notices the lump growing in his pants. Getting all worked up, she pulls his cock out and goes to town.

GIRLS NEXT DOOR

MALIA KELLY

Everyone knows how hot blooded Latin men are. Well, we blondes can be pretty hot blooded too, sometimes more than our men. My guy works long hard hours, and I do too, but when he's too tired to fuck and I'm not, I gotta find someone who can handle me. Not just me, but my sizzling wet pussy and my super hot mouth. Because I'm always ready to fuck, I can go all night before they are all satisfied

CIERRA SNOW

I had an open relationship with my guy. We would have other lovers – with permission, of course. Then he decided to keep doing it and not tell me. I eventually found out and so what was I to do? Why, the same thing, of course. I invited my tryst over and he agreed. We did it on a big overstuffed sofa and filmed it! So, I decided to send you some of the hotter photos. After we finished, I made us both dinner. The conversation at the table was quite exciting.

DEJA DAIRE

I grew up in a pretty liberated household. My mom and dad would swim naked in our pool. Rarely did they close their bedroom door, and while I didn't watch, I could hear them, and I'd often just imagine what was going on. So, sex was always a part of my character. I love doing it and love to please my man. And when they ask me for anal sex, I'm always ready to oblige. I love it, too!

Sex Stay-cation

She was stripped completely naked, her hands at her sides, kneeling on the floor behind me. I pulled off my pants, leaving little doubt as to what I expected with my throbbing cock. As I grasped a handful of her long blonde hair, pulling her face toward my cock, her mouth opened. I slipped my cock inside it, keeping it still while my hands pulled her head back and forth, making her tongue flash me with pleasure, hearing each of her gasps as she strained to take all that I was giving her.

The rhythm of her head bobbing over my cock increased steadily and as I was ready to come. I held her still, the fat tip of my cock on her tongue, as I pumped wads of thick cum down her throat. When I pulled my dick from between her lips she gasped, taking time to catch her breath. Then she smiled as I let her go.

It was a good start to our vacation. Neither Susan nor I had been able to get time off from our new jobs during the summer, so we had to wait. Since we certainly couldn't afford the exotic tropics or even Florida, we agreed to stay home and dedicate ourselves to nonstop sex—what we called a “sex stay-cation.”

I was already starting to think about what to do next. Apparently Susan was too, because without getting dressed she put on a fast tune and started dancing across the floor, gyrating her hips, caressing her tits with pinching fingers, and reaching between her legs to massage her already-wet pussy. I just sat back against the wall and watched her show.

A heavy drum solo began and Susan stood still, waving her long hair to the beat and then slowly spreading her legs. Then she began thrusting her cunt in my direction, spreading the lips apart, drawing her inner wetness over her labia, pressing her clit in tiny circles. Her passion and the rapid drumbeat brought her to a climax. Our Sex Staycation week was off to a hot start, and it was only about to get better.

I grabbed my phone and aimed the video camera at

my naked Susan. She was reclining on our satin sheets. I instructed her how to move and open her mouth and fondle her tits until her nipples stood erect... To squeeze both of her tits and give me a wet lapping of her tongue across her lips... To hold her boobs upright, forcing them at me as if feeding the camera... Having her hands ease slowly down her belly... Opening her legs... Laying her fingers flat along each side of her pussy, pulling herself apart... Inserting a finger into the glistening, wet pinkness... Another finger... One more finger, and then pushing them in and out, laying back on the bed, splitting herself wide open...

Susan began fucking herself with as many fingers as her cunt would hold. I kept my phone trained on the action as her expression echoed each phase of her imminent orgasm, until she was finally screaming and her fingers friggged hotly in and out of her slopping pussy. By the time she came, my dick was throbbing, urging me on like it had a mind of its own.

I had her draw herself up into a position we usually saved for those times when it was only my pleasure to concentrate on. Susan pulled her knees tightly into her tits and then forced them apart. Before me was the awe-inspiring view of her glistening cunt, primed for some serious fucking.

I slammed my cock into her like an animal. I fell into her grasping pussy, holding me like no other position could. Each inch of my dick was firmly grasped by her steamy depths. I repeatedly slammed myself home, listening to the sweets sounds of sex as the bed squeaked loudly under our weight. When I came it was like my cock had penetrated so far into Susan that I was drenching her insides.

Just when I thought we were through for the night, Susan disappeared into the bathroom. After a few moments she called me inside. In her hand was a large plastic glass filled with a murky liquid. She gestured me near and took hold of my cock.

Her passion and the rapid drumbeat brought her to a climax.

BLAIR-NTS-09

Drawing the glass close, she lifted it upward so that it bathed my cock and balls. Crazy! It was warm, almost hot water, mixed with a few splashes of fragrant bath oil. I felt like I was swimming in a sea of pussy juice. Susan opened the shower doors and beckoned me to follow her inside. Then she lifted the glass high and poured, the warm creaminess cascading over our bodies, enveloping us in slippery warmth.

Our loins began pressing together, sliding easily from the lubrication, feeling very wet. We were both slicked from head to toe. Our hands skidded over each other's skin, exploring, stroking and caressing until we were hot and ready to come again.

When I awakened the following morning I had my usual dawn hard-on, but I was not in my usual position. Susan had lying face up and spread-eagled, and was lowering her cunt onto my cock as she whispered my name. My first conscious sensation of the morning was to have my cock plunging into my wife's red-hot, wet pussy. It was just my kind of wake-up call.

She didn't release me when we were done, though. She just left me unable to move, thinking only about what would come next. I lay helplessly for what seemed like an hour until Susan returned, still naked, and settled down on the bed between my outspread legs.

She saluted me with her middle finger and a wicked smile, and then she dunked her finger to the knuckle into a large jar of Vaseline. She grinned mischievously as she slipped it up my ass. I don't think I'll ever forget how Susan blew me into an orgasm with her liquid tongue while she finger-fucked my ass.

Breakfast was her pussy, served through the immodest spreading of her robe as she sat in a chair on our balcony, letting me lick her to a climax while we both silently wondered if anyone was watching. (I for one got even more aroused pretending we had a cheering audience.)

Before going back inside, Susan let her impulse toward exhibitionism go and she dropped her robe, standing stark naked on our balcony, trying to seem very noncha-

lant. I could see how it turned her on even more.

Later we went back into the shower, with Susan bending over, spreading her pussy, and pressing her clit with her fingers as my cock invaded her cunt from behind, rocking us both wildly as the hard spray of the shower came down like a third partner.

At some point we lost track of time altogether. The week became one amazing blur of sexual madness that, instead of draining us, seemed to inspire with even wilder and more outrageous ideas:

* I filled the crack of Susan's ass with the same oil we'd used a day or so before and had her squeeze her cheeks together while my cock pistoned up and down her slippery void. My cum sprayed all over her back, and I lovingly massaged it into her skin as her hands played between her legs, making her come in a gentle way.

* Susan had me stand naked, my wrists clasped behind my back, as close behind me she reached my waist to grasp my cock with a hand slathered with thick lotion. She pumped me hard with her right hand; her left hand wasn't idle. It snaked under my balls, holding them loosely and shaking them back and forth, applying just enough pressure to make the experience delightful, not painful. My wad blasted halfway across the room.

* I wedged a long dildo between cushions of the sofa, making Susan fuck herself with it while I shoved my cock into her mouth and timing it so that we both came at once. That left my hands free to devote themselves to the massaging, stroking and playing with her tits and nipples that drove her crazy—as I watched.

* We filled the bathtub with three inches of thick shampoo and crawled playfully into it, rubbing the slimy richness all over ourselves, letting it lather over her tits and belly and my cock. The sensation was worth prolonging, so each time we felt ready to come we held back, moving to opposite ends of our oversized tub to calm down. As soon as my hard-on would ease we'd start in again, Susan made me come with my cock submerged under layers of the shampoo. We watched, fascinated, as the mass of

my semen surged slowly into the heavy lubrication.

* Late one evening we followed a path through the woods to an open clearing. Susan walked farther on, leaving me behind to set up our little game. When she returned I leaped out at her from behind a tree, knocking her to the ground. I ripped away the old clothes she wore and rolled her face up, pinning her arms while she flailed in mock defense.

Her cunt was already wet, just from thinking about our role playing, so my dick popped easily inside, stroking her cunt as she continued to play the victim until the approach of her orgasm made her writhe in ecstasy. As the excitement passed we lay beneath a tree whose leaves floated to the ground near our feet. Our caresses were gentle then, the game over, and we easily stirred one another back into a heightened state. I climbed on top of her, my pulsing cock entering her quietly, feeling not only Susan but the night that surrounded us.

* The out-of-doors became even more interesting the night we parked our car on a deserted road, climbed into the backseat, and pawed each other heatedly. Susan at first turned my advances away as though we were on our first date, but eventually she let my hand slip under her top inside her bra and onto her tits. That little bit of holding back on her part made me want to feel her more than ever. Even though I knew she would eventually give in, not knowing when and not having her right when I wanted made a subtle but incredible difference.

We finally wound up with Susan sitting on my lap in the rear seat, with her spreading herself and taking my cock into her pussy as she kept an eye open for the cops. The thought of being interrupted turned us on even more.

* We played a game of strip poker one night at home. The loser had to submit to the winner's requests. Luck, as I had hoped, was on my side. I handed Susan an overripe banana, telling her to suck it, nibbling on it as sensually and slowly as possible, like it was digestible cock. She was into the deal as soon as I mentioned it. She slowly stripped the peel, leaving just enough to act as a holder.

She slipped the soft fruit between her lips, letting pieces of pulp catch on her tongue and mouth.

Sliding it in and out of her mouth, Susan took her other hand and dug into her cunt. As soon as she had eaten most of the banana she knelt in front of me, pulling down my underwear, and took my growing cock into her banana-cream mouth. The sensation of the hot banana pulp meshing with her tongue over my dick had an extraordinary effect.

* One evening we settled beneath the sheets, cuddling close, when the urge to fuck overcame my cock despite our previous heavy activity. Wanting to keep it loving and effortless, I turned Susan so that her back was to me. And with both of us on our sides I slipped into her from behind, holding her close, tenderly caressing her breasts. It was a relaxed, laid-back fuck and we fell asleep in that position.

* It had become a game to see who would awaken whom—and in what way. One morning I carried a soft sponge and dish of soapy water into the bedroom and gave Susan a bath, careful not to get the linens too wet. I took it slow, being very methodical, almost unattached yet caring.

I rinsed her with clean water and dried her softly with a plush towel. Just when she thought I would leave her, I nestled my face between her legs and licked the upper V of her pussy, pressing my tongue flat over her clit. Then I moved my tongue down to her opening, poking lightly inside and lapping the length of her once more; until her wetness started flowing.

Despite her cries to be fucked, I kept my mouth and tongue working. When her orgasm erupted, she was glad I had tongue-fucked her instead.

The days ran out before our ideas did, but there would always be plenty of opportunities for our joint need to express ourselves through sex. Hopefully everyone else's sex life can be as satisfying as ours. And if any of our ideas seem interesting to you, we urge you to give them a try.

– Gotta try them all! David and Susan

Amber & Nika

Amber and Nika had been holding back their libidos for weeks, like some prolonged game of horny chicken. All it took was a hand on the shoulder and before long they were rolling naked on the floor, fingers in pussies and in their asses. But they were just getting started... time to bring out the toys!
